SAYS "WATER CURE" KILLED THE BABY

Dr. William S. Cordes Reports
There Is Something Mysteri-
ous Regarding Death of Child
the Coroner Is Investigating.

Coroner Williams, of Williamsburg, is
investigating the death of John Thier-
jose, thirteen months old, who died to-
day at No. 103 Melrose street, Brooklyn.
Dr. William S. Cordes, of No.
877 Bushwick avenue, declares to the
"water cure."

Dr. Cordes was called in to attend
the child this morning. He found it
almost dead and despite heroic efforts
to save the child death soon followed.
Dr. Cordes declares that the stomach
and the intestines of the child were
worn from a constant water treat-
ment, which he learned had been ad-
ministered during the last two weeks.
He says that the child had been given
large quantities of water to drink.
The case was immediately reported to
the police and the Coroner started an

GETS \$5,000,000 CONTRACT.

Murphy's Brother's Company Gets
Pennsylvania Railroad Award.
Announcement has been made that the
New York Contracting and Trucking
Company has won the \$5,000,000 contract
for excavating the terminal for the site
of the Pennsylvania Railroad, which
has just been awarded by the directors
of the Pennsylvania and the New York
and Long Island Railroad Company.
The contract was awarded the company
in spite of the fact that its bid was not
the lowest and that it was in compe-

tion with all the principal contracting
companies in New York.
Interest is lent to this award because
the New York Contracting and Trucking
Company is a Tammany concern.
The President of the company is John
J. Murphy, a brother of the Tammany
leader, E. J. Gaffney, said to be the
wife of James F. Gaffney, Alderman,
representing the Eighteenth District,
and right-hand man of Charles Murphy,
its Treasurer, and Frederick Killen, a
clerk in Gaffney's office, is secretary.
